

JOB OPPORTUNITY

Indoor Nursery Coordinator

Plantmark, a leading national wholesaler of greenlife, horticultural and environmental products, is seeking an **Indoor Nursery Coordinator** at its Lynbrook VIC location.

Successful applicant will be reliable, motivated, highly energetic and capable of juggling numerous tasks at once with strong customer service and sales skills.

Person will be highly organised with great time management skills, have the ability to negotiate and work closely with suppliers and have a creative flair for merchandising.

Duties include coordinating and merchandising supplier stock, ensuring quality, service and wholesale price expectations are met. As well as general nursery duties, maintenance and customer service.

Plant knowledge and nursery industry experience in a wholesale, retail or allied environment will be highly regarded. An intermediate computer skill level is required.

A competitive full-time package includes Base + Super.

Submit resumes to kmumby@plantmark.com.au
