

Exciting changes at Plantmark Merrimac

WE NOW STOCK

... The Scotts Difference.

NEW QUALITY TUBESTOCK FACILITIES

- We now produce over 10 acres of retail quality lines for local and interstate markets.
- Sue Brown, has also moved to the new site to continue her role as Manager of Plantmark Tubes.
- In line with our expansion, new propagation facilities have been erected including shade house, allowing room for 300,000 tubes that are ready for immediate sale.
- A variety of 5cm to 10cm tubes are now available to suit production nurseries for potting on or direct to the landscapers.
- Plantmark Tubes has relocated to our Merrimac site making it more convenient for you to shop under the one roof.
- Now located on site are 3 new expansive acres of growing area, which has increased production capacity by 30%.

NEW STAFF

We are thrilled to have Clare Benson return after the arrival of her twins.

Clare has resumed her position as Sales Coordinator.

Please contact Clare Benson on 1300 787 401 or cbenson@plantmark.com.au
