## Sales Coordinator

Plantmark, a leading national wholesaler of greenlife, horticultural and environmental products, has an exciting position for a **Sales Coordinator** at our Lynbrook VIC location.

This is a challenging, hands-on sales role, working within a dedicated fast paced team in the sale of greenlife and allied products to landscapers, builders/developers and councils. The role requires a motivated, highly energetic person capable of juggling numerous tasks at once with strong organisational and customer service skills.

Plant knowledge and nursery industry experience in a wholesale, retail or allied environment will be highly regarded. An intermediate computer skill level is required.

A competitive full-time package includes Base + Super + Incentive Scheme.
